Welcome to 2012! we hope everyone had a great 2011 along with a great Christmas and are now enjoying a bit of a break in this beautiful weather we are having.

We have reflected on the past year at Laser Strike and the following are our 'stand outs' for 2011.

First ever Geelong Clan War series 'Skilled' going to WA for the Nationals Clan War comp

First Members Day on a Bush Battlefield

Enlisting nearly 300 Members  
Meeting great people, celebrating many Birthdays and having a ripper time.

Now we have hit 2012 and our mission is to keep thinking of new things to improve the business and make it more enjoyable every time you play.

There has been a few changes to the battlefield with more barriers to provide height, an ice cream truck and a few more crates.

We want to provide the ultimate gaming experience so any suggestions or feedback about the battlefield, the missions or anything else is welcome.

### 2012: Thing to look forward too!!

Clan Wars is back. Not only do we have our 'State' league but we are going to be the first in Australia to have a u14's competition where players battle it out weekly against kids their own age to become the champion clan!!! For more info check out our website

We have recently altered our operational hours so we can play until 9pm at night. This means the second season will be played in the dark and will be a huge challenge for the serious contenders. How game are you?

Monthly Members Days either at North Geelong Battlefield or Airey's Inlet (which was a great hit!)  
Starting Feb

3hr Public Sessions Saturday and Sunday 1pm only!!!

All of the above will be pending on numbers so dust off your membership card and come down for some serious action.

Remember bookings are always essential so email or call us anytime.

Looking forward to seeing you on the battlefield soon!
