- **Aus National Clan Wars, From WA**
- **Upcoming Events in 2012**

Welcome to 2012! we hope every-  
one had a great 2011 along with a  
great Christmas and are now en-  
joying a bit of a break in this beau-  
tiful weather we are having.

We have reflected on the past year  
at Laser Strike and the following  
are our 'stand outs' for 2011.

**Laser Strike boys clean sweep the  
Australian Nationals....AGAIN!!**

**Congratulations to Captain Snyder  
and his men from Mysterious  
Soldiers. They have taken out the  
title of Australian National Cham-  
pions!**

Mysterious Soldiers worked ex-  
tremely hard over the two day  
tournament held in WA near  
Perth. In a close fought final  
against clan 7th Death (defending  
Aus champions from 2010) who  
are also from here at Laser Strike  
the two clans battled it out in the  
Grand Final. It was Captain Snyder  
who had a skippers performance in  
the final game of the grand final  
which ultimately gave his clan the  
upper-hand and saw them take  
home the Australian National Title  
along with the cup & trophies!

In third place was Homeboys. Also  
from here at Laser Strike who got  
the job done against Clan Van-  
guard from QLD in the third place

playoff final. Homeboys went home  
with the third place trophies. Well  
done guys.

**For the third year in a row Clans  
from The Basin Laser Strike has  
clean swept the nationals. Finish-  
ing in 1st, 2nd & 3rd placing proving  
time and time again that the best  
talent from all over Australia is here  
in this great State.**

**Well done & Congratulations again;  
Captain Snyder & Mysterious Soldiers  
Australian Champions 2011**

Captain Phil & 7th Death, Runners up  
Captain Dawg & Homeboys, third  
place.
